063 189 9997 | suprakitsujariyakul@gmail.com | suprakit-sujariyakul.github.io/portfolio

From nobody to somebody, I learned to get out of a comfort zone and made the impossible possible.

Work Experience

Premier Advisory - Bangkok

Jun 2022 - Nov 2022

Investment Banking Analyst (Mergers & Acquisitions)

- Analyze the business financial position and industry trends to make investment recommendations for investors
- Generate reports, presentations and other materials to support an investment decision and transaction process
- Do due diligence on the target, construct a financial model to value a company and propose a source of funds

J S Autowork - Pathum Thani

Jun 2021 - Jul 2021

Engineering Intern

- Help the company achieve partial digital transformation by using Airtable to order, label, record and track manufacturing processes instead of using papers to record every activity
- Researched compatible drive-train for electric motorcycles to fit into the existing combustion engine chassis

Education

Sirindhorn International Institute of Technology (SIIT) - Thammasat University

Aug 2018 - May 2022

Bachelor Degree in Mechanical Engineering, 3.80/4.00 (First-class Honors)

- 3-Year SIIT Continuing Scholarship for Students with Good Academic Performance and Good Conduct (GAC)
- 2 semesters consecutively in SIIT Scholarship for Students with Outstanding Activity Performance (OAP)

Online Courses: Full Stack Developer Bootcamp (WeStride)

Extracurricular Activities

SIIT Student Committee

Jun 2020 - May 2021

27th SIIT Student President

- SIIT In-site Camp 2021, worked with the SIIT admission division to organize the first SIIT online open house to avoid the spread of COVID-19 and to reduce the camp period from 3 days to 3 hours
- SIIT Leadership Camp 2020, led a team of 19 members to help 50 new undergraduates develop leadership and teamwork skills which made around one-third of them take on future leadership role in SIIT
- Huddle, got the idea from Simon Sinek to have weekly online activities that brought 12 team members closer without seeing each other in person which strengthen my team relationships in the COVID-19 situation

SIIT Sub Student Committee

Jun 2019 - May 2020

27th SIIT Class President

- SIIT Campus Tour 2019, coordinated with the bus division of Thammasat University and arranged a tour of the Rangsit campus and activities which consisted of 200 staff and 500 freshmen to assist in relationship building
- TU First Meet 2019, supervised 150 staff to conduct faculty activities in which 450 freshmen met each other and did activities together for the first time, achieving good feedback and an overall 4.4/5.0 satisfaction score
